European Paediatric Surgeons Association

19th EUPSA Congress
Paris, June 20-23, 2018
Cité des Sciences et de l'Industrie

Dear Colleagues,

The **European Paediatric Surgeons Association** has the great pleasure to invite you to the 19th European Congress of paediatric surgery in Paris, France, the city of love. Pr A. Bonnard and JM Guys will work together to share with you a fantastic moment of scientific knowledge exchange in this very attractive place. Especially this year, the French Society of Paediatric Surgery (SFCP) and the Francophone Society of Paediatric and Adolescent Urology (SFUPA) will join us. The congress will be held in “**La Cité des Sciences et de l’Industrie**” in the heart of the multi-cultural site of La Villette. This is a Univercience site which has provided a bridge between **science, society and technology** dedicated for exchange knowledge in advanced research, technology, new trends and education. At the heart of the largest landscaped park in Paris, this is an original and spectacular place.

As the president, the treasurer and the past president of EUPSA , be sure that we will do our best in order to make this international event something special, scientifically and socially, for all of you and your family.

Looking forward to seeing you in Paris

Giovanna Riccipetoni
EUPSA President

Arnaud Bonnard
EUPSA Treasurer

Jean-Michel Guys
EUPSA past president
